VOICES OF THE AFRICAN AMERICAN EXPERIENCE EXHIBITION
Help Us Tell Your Story

An expandable book provides a dynamic record on profiles of African Americans (living or deceased) who made noteworthy contributions as trailblazers, pacesetters, and/or achievers of historical significance in Talbot County circa the 1970s and earlier. We may never be able to satisfy the standards of completeness, but you can help. If you can provide reliably sourced/documentated information on an African American you recommend be considered for inclusion in the book, please complete and return the African American Exhibition Profile Form, with appropriate attachments during the designated timeframe.

A copy of the form is available on the Talbot Historical Society website: talbothistory.org
