

I am truly inspired by the incredible support from our members, volunteers, and staff who helped make the Talbot Historical Society's programs and services so successful during the 2024–2025 fiscal year. As we move into 2025–2026, our Board and staff are excited to bring you engaging and educational programming while also building new partnerships to strengthen our mission. On behalf of the Board and Staff, I extend my heartfelt gratitude to the individuals and organizations whose generous support continues to make our mission possible.

*Sincerely,
Al Silverstein, President*
